

Science for life

Midea group entered the biomedical field and started to develop biomedical products since 2011. Midea biomedical Co.Ltd. was established in 2020. Our products are mainly applied in hospitals, laboratories, research institutes, and disease control centers, etc.

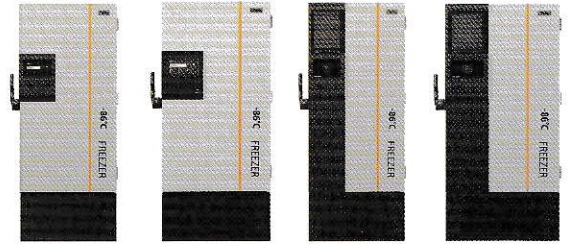

-86°C Smart Invert ULT Freezer

MD-86L568BS MD-86L708BS MD-86L818BS MD-86L838 MD-86L838T

- Smart-Inverter Technology;
- Low Energy Consumption;
- High Temperature Stability;
- Active ECO Technology.

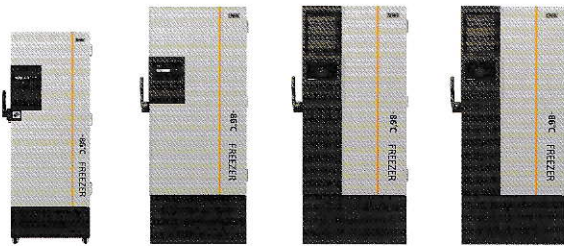

-86°C Dual Guard ULT Freezer

MD-86L568 MD-86L718 MD-86L568T MD-86L718T

- World-famous Components;
- Multifunction Alarms;
- Superior Temperature Uniformity;
- Fast Cabinet Pull Down;
- Patented LBA Forming Technology.

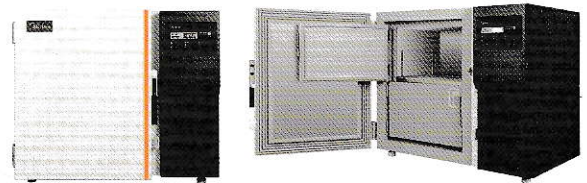

-86°C Lab Guard ULT Freezer

MD-86L358 MD-86L458 MD-86L458S MD-86L458T

- Safe and Reliable Samples Storage;
- Double Door Design;
- LED Display/LCD Display;
- Multi-layer Sealing Structure;
- Optimized Refrigeration System.

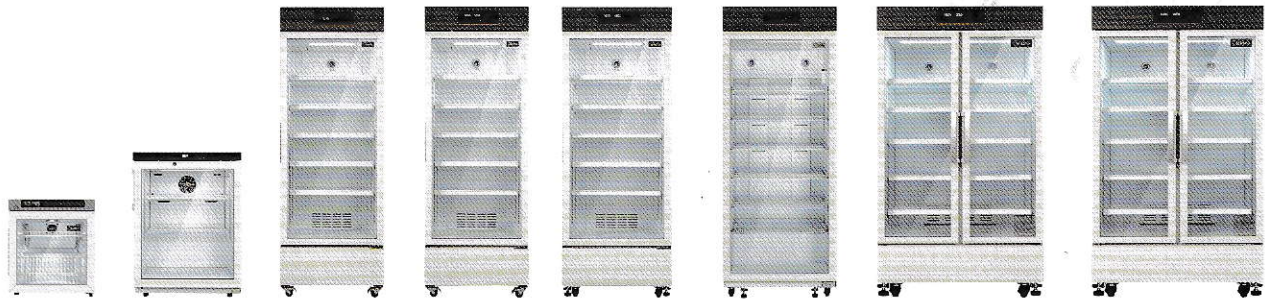

-86°C Under Counter ULT Freezer

MD-86L108

- Safe and Reliable Samples Storage;
- Multi-level Alarms;
- Fast Cabinet Pull Down;
- Smart Design, Super sample storage.

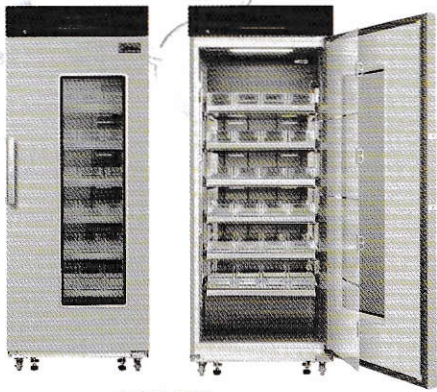

2-8°C Pharmacy Refrigerator

MC-5L42 MC-5L126 MC-5L316B MC-5L316 MC-5L416 MC-5L606 MC-5L756 MC-5L1006

- Security System;
- Humanized Design;
- High-precision Temperature Control;
- HC Refrigeration System.

◎ 4°C Blood Bank Refrigerator

MXY-558

- Precise Temperature Control;
- LED Interior Lighting;
- Stainless Steel Sliding Drawers;
- 90-degree hovering;
- Top Cooling;
- LBA Forming Technology.

◎ -25/-30/-40°C Biomedical Freezer

MD-25/40L106

MD-25/40L308

MD-25/40L518

MD-30L850B

MD-25/40W368

MD-40W568

- Easy temperature control: LCD button panel for simple temperature and alarm adjustments;
- Improved insulation: Fourth-gen foaming agent for more uniform density and energy savings;
- Effective sealing: Unique 3D seal and multi-layer airbag design for reduced cold air leakage;
- Enhanced performance: Powerful heat dissipation and compressor overheating protection for improved service life.

◎ -25/-40°C Combined Refrigerator and Freezer

MCD-25/40L350

MCD-25/40L506

- Dual temperature control: Refrigerator and freezer can be individually controlled with microcomputer control and LED display for precise temperature adjustments.
- Advanced security features: Perfect alarm system with high and low temperature alarms, power failure and sensor failure alarms, and high ambient temperature alarm.
- Humanized design: PVC coated steel shelves, safety lock, easy open handle, multi-layer freezer insulation, wide voltage range, access port, and dry contacts for added convenience.

◎ -196°C LN2 Tank

YDH-25-216

YDS-47-127

YDS-175-216

YDZ-50

YDD-370-320P
